SUBJECT: Revised Title IV, Proposed CIA Charter

b. Memo to AI/DDA fm AGC dtd 1 Sept 78,
same subj (OGC 78-5838)

1. As requested in reference a, we have reviewed this latest revision of Title IV, S. 2525, and make the following observations:

a. Section 421(a)(5) - In reference b, the Office of General Counsel (OGC) indicated that it would request the restoration of this paragraph. However, the last four lines have been deleted. The real estate and construction activities covered in these four lines do not seem to be included elsewhere. We suggest that the deleted portion of that paragraph be restored.

b. Section 422 - Per reference b, accommodation procurement and how best to explain it to the Congress is under discussion in OGC. There is no specific mention of accommodation procurement in this section.

c. Section 423(d) - We note that the threshold for reporting the liquidation of proprietaries has been raised from \$50,000 to \$150,000. We agree with this change.
